Don't Get Spooked by Cybercrime! Free class offers expert tips for staying safe online

It's the scary truth: If you use the Internet or a smartphone, you're a target for cybercriminals.

But you don't have to be afraid. Learn how to protect your personal and financial data, email, and devices during a FREE educational event specifically for older adults.

Experts will share real-world cybercrime examples along with tips and tricks to help you spot danger from a mile away. You'll also have a chance to ask your questions.

**You CAN protect
yourself; we'll
show you how!**

If you use the Internet or
have a smartphone, you are
